**SINGAPORE, 28 FEBRUARY 2024** – With global music acts and multiple mega sporting events set to arrive at the Singapore Sports Hub this March, Sports Hub will transform its precinct to bring elevated experiences for the community. Supporting the live performances and sporting events happening across the world of football, basketball and table tennis, are a large two-storey, indoor zone dubbed, **The Library**, and an outdoor festival style zone with Food Trucks and entertainment acts called, **The Carnival**. These are the two largest curated spaces for the community to congregate. The precinct will also see a tent pop-up over at the Stadium Riverside Walk and be peppered with energetic roving acts, thematic light installations and relevant fringe activities.

### **The Library**

Taking over the two-storey Sports Hub Library, the zone will allow music aficionados to shake it off with a dance battle on an LED floor, pen and receive sweet love letters, make and exchange

friendship bracelets and even capture priceless moments against thematic backdrops. All these and more have been carefully designed and built across two stories, making it the only air-conditioned zone.

### **The Carnival**

Taking over Carpark 4, near Stadium MRT Exit B, the area will host multiple popular food trucks, live entertainment acts including local artistes. Music buffs can pre-game, refresh or sort out any Bad Blood among friends here.

### **The Precinct**

Taking over the space at the Stadium Riverside Walk with a tent, this space will feature numerous fringe activity booths, such as Jagua Ink Tattoos, Face Painting, Balloon Sculpting, Hair Braiding and so much more. There will also be energetic roving acts, such as Fire Twirlers and LED stilt walkers to add to the vibrant atmosphere.

Right at Stadium MRT's exit B, will be a giant guitar backdrop for fans to take their core memory photos. Just ensure no teardrops are left there. Aside from that the precinct will be peppered with light installations in the shape of musical notes along with other interactive booths.
