Team Singapore Starting Strong

FIBA 3x3 Asia Cup 2025 marks the first major competition in an important year for Team Singapore, ahead of the Southeast Asian Games in December. Singapore will also enter the fray with its highest ever men’s and women’s combined federation ranking in Asia, standing at fourth behind China, Mongolia and Japan, and at world No. 22.

Singapore’s national 3x3 basketball head coach Lazar Rasic said: “The FIBA 3x3 Asia Cup is an important tournament for us every year, but especially so this year, and we are excited to be competing at home again. This tournament will be crucial for us as we get to see where we stand among our rivals in the region. We need as many competition opportunities as possible to keep

getting better and raising the standards of basketball in Singapore, and the FIBA 3x3 Asia Cup 2025 helps us do that. Last year's edition was my first tournament with the team and the first time for a lot of players as well. We learnt many valuable lessons from it and we will use them to improve on our performance this year. Our opponents are all very strong but we will prepare well and put up a good fight against them."

In the women's competition, world No. 19 Singapore will face a close contest against world No. 14 Japan and a qualifier – Kazakhstan, Iran, Vietnam or Maldives – in Pool C.

Singapore women's player Jermaine Lim said: "It's always an honour to represent Singapore and we're looking forward to competing in such a big tournament in front of home fans at the OCBC Square. If I'm selected, this will be my first time competing in the FIBA 3x3 Asia Cup. We've been preparing well for the past year and even achieved our highest combined federation ranking ever, so we're excited to show what we've been working on. We hope to put on a good show for our fellow Singaporeans."

Top-ranked Teams Vying for Women's Title

Two-time defending women champion and powerhouse Australia will start their title defence in Pool D, facing a spirited Philippines team and a qualifier from one of these teams – Indonesia, Turkmenistan, Macau or Papua New Guinea.

Women's world No. 1 China, who will be looking to prevent a third straight victory for Australia, will begin their campaign against New Zealand in Pool A. Bahrain, who are also debuting a women's team in the tournament, will play fellow qualifiers Malaysia and the Republic of Korea for the last spot in Pool A.

About FIBA 3x3 Asia Cup 2025

The FIBA 3x3 Asia Cup 2025 is the eighth edition of the tournament, and it will be the fourth consecutive year that Singapore hosts the international event. In 2022, after a successful debut event hosted in the city-state, FIBA and Sport Singapore agreed a three-year partnership for Singapore to host the tournament (2023, 2024 and 2025). The event is organised by Kallang Alive Sport Management, supported by partners Sport Singapore and Basketball Association of Singapore, and sponsored by AirAsia (Official Airline) and PARKROYAL on Beach Road (Official Hotel). Exciting, urban and innovative, 3x3 is inspired by several forms of streetball played worldwide and is considered the world's number one urban team sport. Steered by FIBA, games see two teams of three players face off on a basketball half-court.
